

## **East Anglian Whippet Club Championship Show**

Sunday 10th November 2019

Judge Mrs Lynn Griffiths

Thank you to the committee of EAWC for inviting me to judge at their championship show and to give CCs for my first time. Thank you also to all the exhibitors who entered under me, it really was appreciated. Also a mention to my two stewards who kept myself and the ring organised and running smoothly, thank you.

I thoroughly enjoyed my day, the two shows seemed to me to run remarkably well side by side; I'm sure some exhibitors were running between rings but this didn't impact on me or the way the dogs were shown or behaved in the ring. The amount of prizes, rosettes and sashes was amazing. Congratulations to the committee, all their effort before and at the show were well worth it and I'm sure appreciated by all the exhibitors.

I was looking for a Whippet that was elegant and graceful yet with the muscular power and balance to be fit for function and able to do a days work in the field. A deep chest with plenty of heart room, a broad well muscled back with a graceful arch over the loin. Strong hindquarters with good second thigh and not over angulated. Good feet, strong pasterns with slight spring and a strong jaw all help to create a hound that is built for speed and work. When moving I was looking for a Whippet that appeared to glide naturally over the ground with a long low easy stride creating a beautiful picture of elegance and power.

I was delighted with my class winners and would be happy to have taken home my CC and Res CC winners, their owners and breeders must be very proud of them.
