

## East Anglian Whippet Club Championship Show 8<sup>th</sup> July 2018

### Bitches

A real honour to be invited to award my first CC's for East Anglian Whippet Club . The hard working Committee delivered a fabulous weekend of Shows at their lovely new venue.

The hot conditions did affect some movement on the day which reflected in some close decisions. I was looking for an elegant hound, curvy and feminine of the correct size and not too heavy. I paid particular attention to fronts and rears, looking for good angulation , not too wide with spring to pasterns, moderate strong rears with no exaggeration. Movement sound and free which I found in all my Class winners.

Thank you to exhibitors it was a delight to have so many beautiful bitches, made my day so enjoyable.
